Cancers Symposium”**

ABOUT

ASCO DIRECT GI – CANCERS SYMPOSIUM

The ASCO Gastrointestinal Cancers Symposium is a globally recognized scientific forum organized by the **American Society of Clinical Oncology (ASCO Direct)**. Dedicated exclusively to cancers of the gastrointestinal tract, it brings together leading clinicians, researchers and healthcare professionals from around the world to share knowledge, discuss emerging evidence and advance standards of care

The symposium covers key malignancies including colorectal, gastric, pancreatic, hepatobiliary, oesophageal and neuroendocrine cancers, providing insights into precision oncology, biomarker-driven therapies, translational research and evolving treatment paradigms. Participants will leave equipped with the knowledge to translate cutting-edge science into meaningful improvements in patient care

GLOBAL ONCO-COMMUNITY

Keeping clinicians and researchers at the forefront of oncology, the Global Onco-Community is a one-stop hub for the latest developments worldwide. From conference updates and research breakthroughs to emerging trends in cancer care, this platform provides an easy, centralized destination for the most relevant and timely oncology insights. By connecting professionals globally, it encourages engagement, fosters collaboration and ensures that everyone stays informed about emerging trends and breakthroughs in global oncology.

ABOUT

THE HOST

GLOBAL HEALTH CARE ACADEMY (GHA)

Transforming Healthcare Education with Tech and Expertise

Global Healthcare Academy (GHA) stands as India's pioneering Med-Ed Tech Academy, dedicated to building the future of healthcare. Our mission? *Empowering competent and compassionate professionals* who thrive in the ever-evolving medical landscape.

Bridging the Skills Gap:

We recognize the disconnect between traditional healthcare education and industry demands. GHA actively bridges this gap by:

- Leveraging technology: We integrate cutting-edge solutions throughout our learning process, enhancing engagement and accessibility.
- Faculty expertise: Our instructors are renowned medical professionals, blending academic knowledge with real-world experience.
- Case-based learning: We immerse students in real-life scenarios, fostering critical thinking and practical skills.
- Practice-oriented approach: Our methodologies equip graduates to hit the ground running, prepared to excel in their chosen fields.

A Multifaceted Learning Experience:

- GHA caters to diverse needs through five dedicated verticals:
- Allied Healthcare: Paramedical training programs to equip future healthcare assistants.
- Continuing Medical Education (CME): Upskilling and reskilling courses for healthcare professionals.
- Global Dental Academy (GDA): Specialized programs for aspiring and established dentists.
- Global Healthcare Publishing (GHP): Disseminating valuable knowledge through healthcare publications.
- GConvene: Facilitating knowledge exchange and professional development through industry events.

Guided by Leaders, Driven by Passion:

- GHA is led, managed, and advised by a renowned team of doctors and healthcare professionals, ensuring the highest standards of education and industry relevance.

ASCO DIRECT GI - CANCERS SYMPOSIUM INDIA EDITION 2026

ABOUT THE EVENT

Global Healthcare Academy (GHA) proudly presents the **ASCO Direct GI Cancers Symposium India Edition**, scheduled for **21 February – 01 March, 2026, in Nashik**. This two-day scientific program is designed to deliver high-impact global oncology education to Indian clinicians through a focused and practice-oriented format.

28 FEBRUARY, 2026

The first day will feature ***Hands-on workshops on Onco-Surgery including Robotics***, offering participants practical exposure to advanced robotic techniques in gastrointestinal oncology. These sessions will emphasize clinical application, procedural precision and integration of robotic technologies into contemporary surgical practice.

01 MARCH, 2026

The second day will be dedicated to in-depth discussion and critical analysis of ***key papers and abstracts from the ASCO Gastrointestinal Cancers Symposium***. Expert-led sessions will interpret practice-changing research, emerging clinical trial data and evolving treatment paradigms, enabling participants to contextualize global evidence for Indian clinical settings.

This India Edition will also feature curated highlights from the ASCO Annual Meeting, providing Indian clinicians direct access to internationally benchmarked scientific content and fostering meaningful engagement with global oncology advancements.

INDIA MAKES A GLOBAL MARK IN ONCOLOGY EDUCATION

- ***This is the first ASCO GI Cancers Symposium – India Edition***, bringing ASCO Gastrointestinal Cancers scientific content to India for the first time through an ASCO Direct™ - licensed program.
- With this edition, ***India becomes the sixth country globally to host an ASCO Direct™ educational program***, presented in India by ***Global Healthcare Academy (GHA)***.

REGISTRATION DETAILS

28 FEBRUARY, 2026 | PRE CONFERENCE WORKSHOPS

Surgical Robotic Course - 2days (Intuitive + CMR)

Fees on Request

Surgical Oncology Symposium (SOS)

₹ 2,500/-

01 MARCH, 2026 | ASCO DIRECT GI

Registration Category	Early Bird Until 15 February 2026	Regular 16 February 2026 Onwards	SOS + ASCO GI
Delegate (Members)	₹ 6,500/-	₹ 7,500/-	₹ 5,000/-
Delegate (Non-Members)	₹ 7,500/-	₹ 8,500/-	₹ 6,000/-
Delegate (AHS)	₹ 2,000/-	₹ 3,000/-	₹ 4,000/-
Post Graduate Students	₹ 1,500/-	₹ 2,500/-	₹ 3,500/-
Accompanying Person	₹ 2,500/-	₹ 3,500/-	₹ 4,500/-
Industry (Sponsor)	₹ 15,000/-	₹ 15,000/-	₹ 15,000/-

- The above-mentioned rates are inclusive of all applicable taxes.
- Members Association: ASCO, ISMPO, BOG, IASO, SOGO, AROI, AMOI, AOMSI, and AMPI.
- Members AHS: Onco-Nurses, Radiologists, Geneticists, Pharmacists, Molecular Biologists, Onco-Nutritionist & Others

WHO SHOULD ATTEND

Medical Oncologists

Surgical Oncologists

Radiation Oncologists

Gastroenterologists

Pediatric Oncologists

Pathologists

Colorectal Surgeons

Radiologists

Researchers & Scientists

Geneticists

Molecular Biologists

Oncology Nurses

Hepatobiliary Surgeons

Pharmacologists

Industry Professionals

Onco-Nutritionists
and Dietitians

Nuclear Medicine
Specialists

Postgraduate Students
& Fellows

SPONSORSHIP OPPORTUNITIES

Entitlement	Platinum 25,00,000	Gold 15,00,000	Diamond 10,00,000	Silver 5,00,000
Exhibit Space Size	6*3	3*3	3*2	2*2
Complimentary Registrations	25	15	10	5
Logo in the conference proceeding & website	Yes	Yes	Yes	Yes
Exhibitor's pass (includes meals) & Standee for promotion	Yes	Yes	Yes	Yes
Sessions	• Space for Advisory Committee Meeting • 2 Industry session	• 1 Industry session	—	—

Please Note:

- If you wish to exhibit, please write to ascoindia@globalhealthcareacademy.in for more information.
- Interior decoration and extra electricity at the cost of the sponsor / exhibitor.
- The above-mentioned rates are exclusive of all applicable taxes.

VENUE – NASHIK

COURTYARD BY MARRIOTT

Nestled amid the vineyards and scenic landscapes of Nashik, JW Marriott Nashik offers a contemporary venue with world-class conference facilities. Its modern infrastructure, professional meeting spaces and serene surroundings make it an ideal setting for plenary sessions, scientific discussions and networking.

HCG MANAVATA CANCER CENTRE

HCG Manavata Cancer Centre provides a dedicated clinical-academic environment for focused learning and hands-on sessions. Equipped with advanced infrastructure and multidisciplinary oncology facilities, the centre supports immersive workshops and academic exchange aligned with the scientific objectives of the symposium.
